CHIEF FINANCIAL OFFICER JACQUES GALLOY LEAVES EVS GROUP

Liege - Monday, July 8, 2013, 8:00 am CET - EVS Broadcast Equipment SA, the leading provider of live video production systems, today announces the departure of its Executive Vice President and Chief Financial Officer (CFO), Jacques Galloy (42), representing Gallocam sprl, scheduled for late 2013.

After 12 years of dedication to the development of the group, 12 months after the introductory period of the new CEO, and now that the new organization is in place, he plans to take up new challenges and pursue other private and professional projects. In accordance with the Board of Directors, he shall accompany the transition until the arrival of a new chief financial officer, at the latest at the end of the year.

The Board of Directors and the Group CEO Joop Janssen, praise his hard work and professionalism: “Jacques Galloy skills have been an important asset for EVS and he has contributed greatly to the development of the group. We want to thank him for his service and we wish him the best for the future.”

“Developing EVS during those twelve years with this great team was an amazing experience”, said Jacques Galloy.

Pierre Rion, Chairman of the Board of Directors, said: “I am delighted that Jacques Galloy continues his Board mandate at least until his term at the Ordinary Annual General Meeting in May 2014.”

About EVS

EVS provides its customers with reliable and innovative technology to enable the production of live, enriched video programming, allowing them to work more efficiently and boost their revenue streams. Its industry-leading broadcast and media production systems are used by broadcasters, production companies, post-production facilities, film studios, content owners and archive libraries around the globe. It spans four key markets – Sports, Entertainment, News and Media.

Founded in 1994, its innovative Live Slow Motion system revolutionised live broadcasting. Its reliable and integrated tapeless solutions, based around its market-leading XT server range, are now widely used to deliver live productions worldwide. Today, it continues to develop practical innovations, such as its C-Cast second-screen delivery platform, to help customers maximise the value of their media content.

The company is headquartered in Belgium and has offices in Europe, the Middle East, Asia and North America. Approximately 465 EVS professionals from 20 offices are selling its branded products in over 100 countries, and provide customer support globally. EVS is a public company traded on Euronext Brussels: EVS, ISIN: BE0003820371. For more information, please visit www.evs.com.

dcinex, of which EVS owns 41.3%, is the European leader for Digital Cinema technology and services in Europe with more than 5,500 committed digital screens in Europe, out of which 3,700 have already been deployed. www.dcinex.com.
