Chain of controlled undertakings through which the holding is effectively held: see page 2.

This press release and the notification are available on the EVS website (www.evs.com).

Shareholders must declare their ownership in EVS shares as soon as their shareholding passes over/under the 3% threshold (required by Company Statutes) and any multiple of 5% thresholds (required by Belgian Law). Notifications of important shareholdings to be made according to the Law of May 2, 2007 and the EVS's bylaws, should be sent to the company (by email corpcom@evs.com or fax +32 4 361 7089) and to the FSMA. The current number of shares (denominator) to be taken into account is 13,625,000 shares.

ABOUT EVS

EVS is globally recognized as the technology leader for live video production. The company introduced Live Slow Motion replay in 1994, and has continued to build on its reputation for quality and reliability with solutions that enhance live sports, entertainment and news content. Innovations – such as the C-Cast multimedia platform and DYVI IT-based switcher – are raising the bar for live production enrichment, management and distribution. Broadcasters, rights owners, producers and venues alike use EVS to maximize the value of their productions and increase revenue streams. The company is headquartered in Belgium with around 500 employees in offices in Europe, the Middle East, Asia and North America, and provides sales and technical support to more than 100 countries. EVS is a public company traded on Euronext Brussels: EVS, ISIN: BE0003820371. For more information, please visit www.evs.com

Forward Looking Statements

This press release contains forward-looking statements with respect to the business, financial condition, and results of operations of EVS and its affiliates. These statements are based on the current expectations or beliefs of EVS' management and are subject to a number of risks and uncertainties that could cause actual results or performance of the Company to differ materially from those contemplated in such forward-looking statements. These risks and uncertainties relate to changes in technology and market requirements, the company's concentration on one industry, decline in demand for the company's products and those of its affiliates, inability to timely develop and introduce new technologies, products and applications, and loss of market share and pressure on pricing resulting from competition which could cause the actual results or performance of the company to differ materially from those contemplated in such forward-looking statements. EVS undertakes no obligation to publicly release any revisions to these forward-looking statements to reflect events or circumstances after the date hereof or to reflect the occurrence of unanticipated events.
