EVS PRODUCT: FANCAST 2.X

END OF LIFE NOTIFICATION

Dear Customer,

As part of the product life cycle process, and in order to continue providing high-quality solutions for the broadcast market that are in adequation with the changing needs of our customers, EVS hereby formally announces an END-OF-SUPPORT for the following products with the milestones detailed in the below table:

- FanCAST versions 2.x

Software support services will be provided on these products until :

- December 31st, 2019 for XT3 v2.xx

- December 31st, 2021 for XT3 v3.xx

- December 31st, 2023 for XT3 v4.xx

If some of your products are currently covered by an applicable EVS Service Level Agreement (SLA), please note that the present END-OF-SUPPORT notification shall apply to your products immediately after the expiration of such SLA, unless explicitly agreed otherwise in writing.

In addition, no backwards compatibility with FanCAST 2.x software will be built in EVS products beyond this date. Valid for XT3 v4.xx	December 31st, 2023

ALTERNATIVE SOLUTIONS

In order to fulfill the requirements that go beyond this product version discontinuation and to continue providing the quality you expect from your EVS solutions, EVS recommends to upgrade to the new FanCAST bundles based on XT-VIA, which are the next generation of servers. Please contact your EVS Sales representative or EVS Support to discuss the most appropriate Hardware/Software upgrade path for your EVS system.
