Forward Looking Statements

This press release contains forward-looking statements with respect to the business, financial condition, and results of operations of EVS and its affiliates. These statements are based on the current expectations or beliefs of EVS's management and are subject to a number of risks and uncertainties that could cause actual results or performance of the Company to differ materially from those contemplated in such forward-looking statements. These risks and uncertainties relate to changes in technology and market requirements, the company's concentration on one industry, decline in demand for the company's products and those of its affiliates, inability to timely develop and introduce new technologies, products and applications, and loss of market share and pressure on pricing resulting from competition which could cause the actual results or performance of the company to differ materially from those contemplated in such forward-looking statements. EVS undertakes no obligation to publicly release any revisions to these forward-looking statements to reflect events or circumstances after the date hereof or to reflect the occurrence of unanticipated events.
