Vizrt NDI AB ("NDI") agrees to license you certain rights as set forth herein under these terms.

1. DEFINITIONS

a. "SDK" means the entire NDI® Software Development Kit, including those portions pertaining to the Specific SDK, provided to you pursuant to this License, including any source code, compiled executables or libraries, and all documentation provided to you to assist you in building tools that use the NDI Software for data transfer over a local network.

b. "Products" means your software product(s) and/or service(s) that you develop or that are developed on your behalf through the use of the SDK and that are designed to be, and/or are, used, sold and/or distributed to work closely with other NDI Products or Third Party Video Products.

c. "NDI Products" refers to NDI's line of products distributed by NDI and any upgrades.

d. "SDK Documentation" refers to the documentation included with the Software Development Kit including that portion pertaining to the Specific SDK.

e. "Specific SDK" refers to the specific SDK for which you intend to use the NDI® SDK and this license (for example: NDI Send, NDI Receive, NDI Find, or other SDK's that are available from time to time. These are examples only and NDI may add or subtract to this list at its discretion, and you agree to use them only in accordance with this Agreement), and includes the documentation relating to it.

f. "Third Party Video Products" refers to products of third parties developed by or for them also using the NDI® Software Development Kit in any way.

2. LICENSE

a. Pursuant to the terms, conditions and requirements of this License and the SDK Documentation, you are hereby granted a nonexclusive royalty-free license to use the sample code, object code and documentation included in the SDK for the sole purpose of developing Products using the Specific SDK, only in accordance with the SDK Documentation requirements, object code included in the SDK solely as used by such Products (your Product and compiled sample code referred to as the "Bundled Product"). **A separate license agreement with** NDI **is required in order to commercially exploit or otherwise distribute any products that use or embed any** NDI **Software, NDI Software, or use part or all of the SDK and/or specific SDK, in any programmable chip or similar embedding device or technology ("NDI Embedded Products").**

b. If you are making a product release you must use a version of the SDK that is less than thirty (30) days old if there is one.

Certain files within the SDK or the Specific SDK may be distributed, said files and their respective distribution license are individually identified within the SDK documentation. This is not a license to create revisions or other derivative works of any NDI software or technology.

e. You agree to comply with the steps outlined in the SDK Documentation, including the SDK manual for the Specific SDK. Different obligations and restrictions may be imposed by NDI with respect to different Specific SDK's. b. You will not modify, sell, rent, transfer, resell for profit, distribute, or create derivative works based upon the SDK or any part thereof other than as set forth herein, and you will not allow independent contractors to create derivative works; however, you may use the SDK to create your own program for the primary purpose of making it or your Product compatible with the NDI network APIs, a NDI Product, or for other purposes expressly set forth by you in advance in writing and agreed to in writing by NDI. In the case of your derivative works based upon the SDK, you may create and revise your Product using the SDK, and sell, rent, transfer, resell for profit and distribute, so long as it is for the Principal objective for which you were provided the SDK and it otherwise complies with this agreement, including the requirement that your Product or any other Third Party Product using any portion of the SDK continues to use the current SDK as required herein and functions properly using the SDK. NDI reserves the right to determine at any time the compliance of your Product or any Third Party Product as properly using the SDK including maintaining current and complete NDI compatibility. e. You agree not to use the SDK for any unlawful purpose or in any way to cause injury, harm or damage to NDI, or its Products, trademarks, reputation and/or goodwill, or use information provided pursuant to the SDK, to interfere with NDI in the commercialization of NDI Products.

f. You agree to use NDI trademarks (NDI trademarks include, but are not limited to NDI®, NDIHX™), only in accordance with applicable policies of NDI for such trademark usage by software developers in effect from time to time, which policy may be amended at any time with or without notice. NDI's trademarks shall not be utilized within the Product itself, or on the Product packaging or promotion, or on websites, except to identify that the Product is compatible with NDI's pertinent Video Product, and in all cases where NDI trademarks are utilized, special and clear notations shall be provided that the marks are NDI trademarks. Your Product is not a product of NDI and no promotion, packaging, or use of NDI trademarks shall suggest sponsorship by NDI of your Products, except where specifically authorized by NDI in writing. Any distribution of your Product in a fraudulent manner, or in any other manner or method that violates any civil or criminal laws shall constitute a default under this agreement and result in immediate revocation of any right to utilize NDI's marks.

g. NDI owns or has licensed copyright rights to the SDK. To the extent any of the SDK is incorporated into your Product, you agree to include all applicable copyright notices, along with yours, indicating NDI's copyright rights as applicable and as requested by NDI.

h. You agree that by using the SDK, or any portion or part of the NDI Software, in your Products, that you shall not at any time during the term create, use or distribute Products utilizing the NDI® SDK that are not interoperable with, or have significantly degraded performance of functionality when working with, NDI Products or Third Party Video Products that are created with or utilize in whole or in part the SDK. 4. SOFTWARE DEFECT REPORTING

If you find software defects in the SDK, you agree to make reasonable effort to report them to NDI in accordance with the SDK documentation or in such other manner as NDI directs in writing. NDI will evaluate and, at its sole discretion, may address them in a future revision of the SDK. NDI does not warrant the SDK to be free of defects.

5. UPDATES

You understand and agree that NDI may amend, modify, change, and/or cease distribution or production of the SDK at any time. You understand that you are not entitled to receive any upgrades, updates, or future versions of the SDK under this License. NDI does not warrant or represent that its future updates

and revisions will be compatible with your Product, and NDI does not warrant that its updates and/or revisions will allow your Product to be compatible with or without modifications to your Product.

6. OWNERSHIP

Nothing herein is intended to convey to you any patent, trademark, copyright, trade secret or other Intellectual Property owned by NDI or its Licensors in the SDK or in any NDI software, hardware, products, trade names, or trademarks. NDI and its suppliers or licensors shall retain all right, title, and interest to the foregoing Intellectual Property and to the SDK. All rights not expressly granted herein are reserved by NDI.

7. INDEMNITY AND LIMITATIONS

You agree to indemnify and hold NDI harmless from any third party claim, loss, or damage (including attorney's fees) related to your use, sale or distribution of the SDK. THE SDK IS PROVIDED TO YOU FREE OF CHARGE, AND ON AN "AS IS" BASIS AND "WITH ALL FAULTS", WITHOUT ANY TECHNICAL SUPPORT OR WARRANTY OF ANY KIND FROM NDI. YOU ASSUME ALL RISKS THAT THE SDK IS SUITABLE OR ACCURATE FOR YOUR NEEDS AND YOUR USE OF THE SDK IS AT YOUR OWN DISCRETION AND RISK. NDI AND ITS LICENSORS DISCLAIM ALL EXPRESS AND IMPLIED WARRANTIES FOR THE SDK INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. ALSO, THERE IS NO WARRANTY OF NON-INFRINGEMENT, TITLE OR QUIET ENJOYMENT. SOME STATES DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES, SO THE ABOVE EXCLUSION MAY NOT APPLY TO YOU. YOU MAY ALSO HAVE OTHER LEGAL RIGHTS THAT VARY FROM STATE TO STATE.

8. LIMITATION OF DAMAGES

SOME STATES DO NOT ALLOW THE LIMITATION OR EXCLUSION OF LIABILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THIS LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU. The limited warranty, exclusive remedies and limited liability set forth above are fundamental elements of the basis of the bargain between NDI and you. You agree that NDI would not be able to provide the Software on an economic basis without such limitations. IN NO EVENT WILL NDI BE LIABLE FOR ANY AMOUNT GREATER THAN WHAT YOU ACTUALLY PAID FOR THE SDK.

9. TERMINATION

Either party may terminate this License upon thirty (30) days written notice. Either party may also terminate if the other party materially defaults in the performance of any provision of this License, the non-defaulting party gives written notice to the other party of such default, and the defaulting party fails to cure such default within ten (10) days after receipt of such notice. Upon the termination of this License, the rights and licenses granted to you by NDI pursuant to this License will automatically cease. Nothing herein shall prevent either party from pursuing any injunctive relief at any time if necessary or seeking any other remedies available in equity. Each party reserves the right to pursue all legal and equitable remedies available. Upon termination, all SDK materials shall be promptly returned to NDI, and any and all copies stored in electronic or other format shall be deleted and destroyed, and any rights to use NDI's trademarks are revoked. If this License is terminated for any reason, the provisions of Sections 1, 3, 6, 7, 8, 9, and 10 shall survive such termination.
